**HONORS FRENCH II**

**Level: 3**

**Grades: 9-12**

**5 Credits/Year**

By the end of this course, students have the foundational language skills necessary for upper level French studies: particularly, to ask and answer questions and explain and defend answers with reasons. Throughout this course, students write and speak in varying time frames, build a large vocabulary, and understand spoken French at a more advanced level. They engage in the 3 modes of communication: interpersonal communication, interpretive reading and listening, and presentational speaking and writing. Students use the language to interact with authentic texts and videos, and to create a comprehensive portfolio demonstrating effective understanding and use of the French language. **Prerequisite:** Successful completion of French I or French 1, Part 2 with a passing grade of B or higher.
